

## What to Bring to Your First Appointment

Welcome to Premier General Surgeons. To help ensure a smooth and efficient visit, please bring the following items to your first appointment:

- **Photo Identification** (Driver's license or other government-issued ID)
- **Insurance Card** (Please bring the front and back of your current card)
- **Medication List** including prescriptions, over-the-counter medications, vitamins, and supplements
- **Copayment**, if required by your insurance plan
- **HMO Plans:** Some HMO plans require prior authorization or a referral from your Primary Care Provider (PCP)

Please contact our office in advance if you have questions about insurance requirements.
